

January 22, 2026

Dear Educator,

It is with great enthusiasm that Univision 23 announces the launch of our **29th annual *Orgullo de Nuestra Juventud* campaign** for the **2025–2026 school year**. This long-standing initiative continues to recognize and celebrate the extraordinary achievements of students across our community.

For nearly three decades, and in partnership with **Miami Dade College**, we have had the honor of uplifting more than **250 outstanding students** whose academic excellence, perseverance, and service have made a meaningful impact. We look forward to continuing this tradition and showcasing new honorees with your valuable support.

We invite you to nominate deserving students for the **2025–2026 Orgullo de Nuestra Juventud Academic Excellence Award**, which recognizes exceptional academic performance and meaningful community service.

We are also seeking nominations for the **2025–2026 Orgullo de Nuestra Juventud Academic Achievement Award**, designed to honor students who have demonstrated remarkable academic improvement despite personal obstacles—regardless of their GPA.

Please review the attached eligibility guidelines and nomination forms. **Nominations must be submitted by Monday, March 2nd, 2026.**

All nominations will be reviewed by our judging committee. Selected honorees will be featured in a special on-air campaign on Univision 23 and recognized at an end-of-year awards ceremony alongside educators, sponsors, families, and community leaders.

We deeply value the dedication of educators like you—those who guide, support, and inspire our youth every day. Your partnership helps ensure that remarkable students receive the recognition they truly deserve.

Thank you for your commitment to our community and for joining us once again in celebrating South Florida's brightest young leaders.

Warm regards,

Sincerely,

Angela Ramos
Regional Director Community Empowerment
