

“The future of our community lies within our youth...and those who shine brightest deserve to be recognized”

Dear Educator,

On behalf of Univision 34 Atlanta, it is with great enthusiasm that we celebrate our *annual* “LIGA DE CAMPEONES” campaign for the 2020-2021 school year!

Through this campaign, Univision 34 Atlanta, together with your help and the support of outstanding community and business leaders, has been able to honor and recognize exceptional students in our State.

This year more than ever students faced exceptional challenges like never. Nonetheless, they were able to accomplish their academic goals and we are once again requesting your assistance in honoring the extraordinary efforts of your exceptional students by nominating them, based on academic merit and outstanding community service efforts, for the **2020-2021 Liga de Campeones Scholarship Award**. Furthermore, we would like to recognize those students who have demonstrated a solid commitment to learning despite significant personal obstacles for the **2020-2021 Liga de Campeones Scholarship Award**. These students need to have a Grade Point Average (GPA) of at least 3.5 and must have displayed substantial academic growth despite adverse limitations and/or challenges in their personal lives.

Please find the attached eligibility requirements and nomination forms for the **2020-2021 “Liga de Campeones Scholarship Award**. We are requesting that all nominations be received by Monday, March 15th, 2021.

Once you have nominated a student(s) whom you feel meets either one of our eligibility requirements, a judging committee will select this year’s honorees. The honorees will then be profiled through an on-air campaign that will be broadcast and the students will be recognized with a virtual awards ceremony.

Univision 34 Atlanta has joined forces with the collaborating sponsors to celebrate the amazing performance of exemplary youth in our community. In order to realize this effort, we are once again counting on educators such as yourself, who are continually working to find new ways to highlight the amazing efforts made by your students.

Sincerely,

Mariela Romero
